Commander's Message...

Dear Legionnaires:

My first year as Commander has come to an end and I wish to thank all the officers and members of Melvin Roads for their support throughout the year. I would personally like to thank Past Commander and Treasurer Beverly Baker and Past Adjutant and Board of Director Michele LaRock for their guidance and helpfulness. Our programs were successful this year because of their support.

We had over one hundred supporters at our Patriots Day Program last September and Veterans Day was very well attended also. We will get the word out this coming season for a better response to our Pearl Harbor Remembrance Day ceremonies so that we have a more decent turn-out. The successful Turkey Raffle provided over twelve hundred dollars to veterans programs. We had a great turn-out

for the American Legion Birthday/St. Patrick's Day Dinner with over 80 persons attending to share in the joy of the evening, including the winning of over 40 raffle drawings. I look forward to another year supporting veterans and veterans program.

June 2nd this year is our Installation dinner and June 7th is set for our annual flag retirement ceremonies. The later will be held behind the East Greenbush Town Hall at 6pm.

We have postponed holding a veterans benefits fair at this time as several other groups are holding such a program in this time-frame. We will come up with a useful and helpful program down the road.

New member cards come out in July; look forward to receiving yours and responding with your annual dues payment.

Commander Hugh J. Blake

As always, if you want to be in touch with me, you can send a letter in the mail to the Post to my attention or email me at

The annual Installation of Officers Dinner will be held the evening of Saturday, June 2nd, 2018 at the Post. Commander Hugh J. Blake encourages everyone in the Legion family to make every effort to attend. Years of Service Awards will be presented to those Post members who have been active for 25, 30, 35, 40, 45, 50, 60, 65 and 70 years. The names of those to be recognized that evening are included in this

newsletter. Anyone on that list as well as our bingo workers will received one free ticket; a second ticket may be purchased for \$25. Regular tickets are \$30 each or two for \$50.

As is our tradition, the incoming officers of the Post, Auxiliary, SONS and Riders will be installed that evening.

Dinner will be provided by Al Pollock of Teagan's fame who

now oversees the kitchen at Melvin Roads. The menu will include Al's famous Chicken Parme!

We are looking for a great turn-out from our Legion members as well as the Auxiliary, SONS, and Rider's. Cocktails will be at 5:30 to 6:30 with dinner following. Music for your listening and dancing pleasure will follow the ceremonies presented by one of our local DJ's, Johnny O.

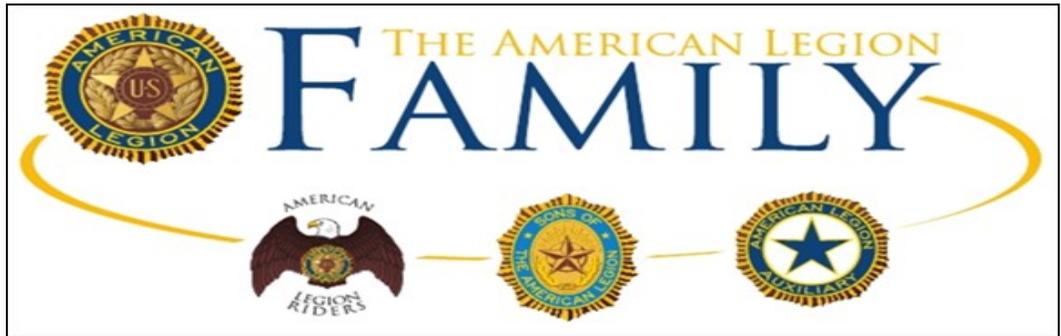

Post sponsoring Valley Cats Game

On June 22nd, members of the post, family members and friends are cordially invited to attend what has become an annual tradition, a night of baseball at Joe Bruno Stadium located next to Hudson Valley Community College. The Valley Cats, an affiliate of the World Champion Houston Astros will be playing the Lowell Spinners of the Boston Red Sox organization. The cost is \$26/per person, \$21 for children. Bingo Report

Attendance at bingo has picked up as of late. From April 4th through May 16th, we had 845 total players or an average of 121. Bingo receipts for that period of seven weeks was \$26,307.00. Prizes awarded amounted to \$18,900. Bingo supplies and fees for that period totaled \$1,146. Post bills paid during this time frame totaled \$4,493.38.

Our Wednesday night bingo provides a significant source of income for the Post. That is why all members who are available and able are encouraged to help out with this weekly program. We have two time frames that one can volunteer for: 5:30 to 7:30pm or 7:30 to 9:30pm. If you can spare two hours on any given Wednesday night, please just show up; we'll find a slot for you to assist. If we get enough volunteers we would like to set up "shifts" for weekly volunteering.

STUDENTS ASSIST POST WHILE LEARNING JOB SKILLS

The Columbia High School job coaching program has come to Melvin Roads! A Questar III class has been working weekly at our American Legion Post since September. The purpose of the program is to provide opportunities for the students to gain experience at an entry level position at a local business. They may clean, organize, participate in customer service activities and any other entry level responsibility. They also learn how to interact with management, take instructions from a supervisor and work as part of a team.

At Melvin Roads the students have helped clean up after Wednesday night bingo, assisted with light housecleaning, folding laundry, and preparing mailings to be sent to post members.
